As part of the celebration of the City Day of Opatija (July 24th) Public library „Viktor Car Emin“ Opatija organizes an event called „Liburnia literary Camino“ which will take place 18th and 19th of July. This event is inspired by the famous Camino de Santiago and combines hiking in the beautiful Liburnia region and presentation of the authors who's literary works are inspired by the beauty of Liburnia region, Camino de Santiago itself or by other profound things and thoughts that they experienced trough hiking and enjoying staying in nature.
